

Student Certifications

Each successive Certification level builds upon the elements of the prerequisite Standards. Each Standard is typically divided into two sections: *Knowledge*, which is verified by written examination, and *Skills*, which are evaluated by an ASA Certified Instructor.

If the Certification Seal is not received from ASA within 30 days of completing both the Knowledge written examination and the Skills evaluation, please contact the ASA Certification Facility that conducted the examination.

THIS IS TO CERTIFY THAT:

EDWARD LAUREN O'CONNOR

has successfully achieved the following ASA STANDARDS:

101

**Basic
Keelboat
Sailing**

AFFIX SEAL HERE
Provisional Certification
for three (3) months
