

SLCTM

RECORD OF INTERNATIONAL SAILING LICENSE AND CREDENTIALS

Administered by **NauticEd**

This document is the **SLC LICENSE** and states the holder has demonstrated international yachting and bareboat chartering competence under the following requirements:

- has been assessed on-the-water and deemed competent for international yachting and bareboat charter operations as the master of the vessel
- has completed an appropriate amount of international yachting and bareboat charter theory training and testing
- has logged sufficient boating experience on vessels of appropriate size as master of the vessel to be worthy of international yachting and bareboat charter

Please extend every boating courtesy possible to this sailor.
